

## MODULAR CASH BAG

LDT modular cash bags are flat bags designed for perfectly storing and transporting cash in a secure and portable tamper evidence manner. They come in 3 standard sizes and can also be customised to suit our clients specification.

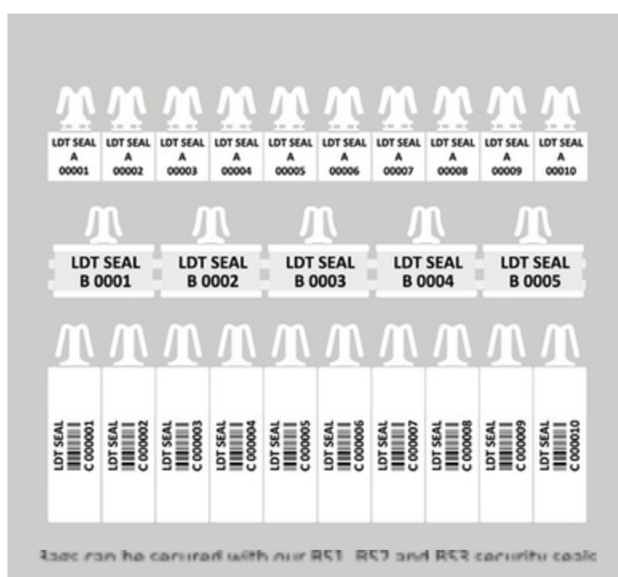

### Bag Features

- Cost effective solution for money storage and handling.
- Internally accessed window for personalized cards with company details, forwarding instructions or other notes.
- Made from high quality weather resistant material, means these bags won't tear or burst.
- Made in South Africa

### Bag Sizes

- A7 (Small) - 23 x 17cm
- A6 (Medium) - 24 x 25cm
- A5 (Large) - 27.5 x 28cm
